Dearest Mary -

Amos will tell you what I want you and him to write me. I can hardly express in words my sorrow and regret for not being able to be with you at the first day of your arrival - but you have Amos there, and his friends. Dearest, I will be extremely happy if you will find some time to drop me a few words, of how you feel and what you are doing - if anything and how you see Palestine. Are you learning Hebrew?

Be well, dear, and take care of yourself,

With love,

David
